DESIGN FOR LIFE

Stratco has been living HowTo since the dawn of the 'Great Australian Dream' of home ownership. HowTo is evident in our heritage of manufacturing and our traditions of craftsmanship and skill.

A commitment to innovation and engineering ensures that our comprehensive range of quality products continue to redefine outdoor living and offer you the best value patio solution on the market.

With qualified patio specialists, displays in-store, and a network of Authorised Outback Dealers offering a professional design and install

service, Stratco designers will work with you to customise a patio specifically for you that will add style, flexibility and value to your home.

Our dedicated buying team scour the world for emerging trends in outdoor living to provide the very latest products for you to accessorise and personalise your outdoor space.

Stratco can help you make the most of your outdoor space and turn your dreams into reality. This is our reason for being; our higher purpose; we are here to help you find HowTo.

SPACIOUS RETREAT

This magnificent patio is surrounded by wide open spaces, spectacular vistas and rich, earthy textures. Enjoy the very best Australia has to offer under a Stratco Outback patio.

The Stratco Outback Flat Roof patio is an economical way to maximise your outdoor living area.

Riser brackets help open up your home and outdoor living area by enhancing the sense of space and also improve the ventilation of the area. When combined with Cooldek insulated roofing, your Outback patio will be the perfect environment to enjoy the outdoors all year round.

Under a Stratco Outback you are protected from the elements, expanding your possibilities for entertaining, storage, an all-weather play area for kids or simply relaxing and enjoying some fresh air.

The Amalfi Wicker range adds yet another level of versatility to your Outback patio. Arrange the modular lounge to best suit your area or the occasion with pieces sold separately. Share a meal around the 9 Piece dining suite, or enjoy some quiet time relaxing with a loved one, seated on our premium bar setting.

Amalfi is crafted from premium UV treated hand woven synthetic wicker in a gorgeous warm grey. Pairing this with plush, UV treated Spunpoly silky-soft cushions creates a luxurious, homely feel. The coated aluminium frame offers extra protection from the elements and the table top is heat tempered high-strength glass.

Amalfi offers outstanding comfort, quality and style ready for your personal touch.

SUBLIME BREEZE

Like a sublime work of art; this Tahiti Teak Setting sits effortlessly beneath this spacious gabled patio. In perfect harmony with the home and its surroundings, this Outback Heritage Multispan Patio creates a versatile outdoor living area to escape the inside world.

Stratco Ambient Blinds add to the flexibility of the patio by providing further protection from the sun, wind, rain, and insects. While ceiling fans and lighting create the perfect place to cook, eat, relax, and entertain day and night.

Our superb Tahiti Teak range of outdoor furniture sits effortlessly beneath this spacious gabled patio. Rustic in appearance and strong

in character, the recycled Teak timber compliments the premium, handwoven synthetic wicker of the chairs and is beautifully finished off with UV treated cushions.

Create a beautiful fresh ambiance with a garden wall backdrop, blue sailor-stripes, elegant green patterned cushions and rope crosshatched vases.

Stratco Pavilion Grande

Pavilion Grande's classical architectural proportions created by larger columns, bulkheads and the distinctive Edge Gutter, respond to the emerging demand for more substantial looking structures and add an element of sophistication, elegance, and charm to alfresco living.

ELEGANT ENTERTAINER

Home is where the heart is, and where many of our fondest memories are made. Create treasured moments shared with loved ones under the grandeur of a Stratco Pavilion.

The unparalleled luxury of Pavilion Grande creates the perfect setting to experience outdoor living like never before and to share wonderful times with friends and family that will be cherished forever.

The smooth ceiling-like finish of Stratco Cooldek insulated composite roofing further enhances the clean, contemporary design and creates a dramatic sense of openness and space.

Fire-rated Aluminium Composite Panels, available in six metallic colours, contribute towards the superior quality and modern finish of Pavilion. Inspired by nature, the earthy hues compliment the raw materials featured in today's architecture.

Skylights, LED ceiling lights, column lights and adjustable wall lights provide a complete alfresco living solution so the Pavilion can be enjoyed, day and night.

Our Madrid furniture collection compliments the Pavilion Grande perfectly. The charcoal grey aluminium frame contrasts elegantly with the light grey padded fabric seating providing effortless style and comfort. With a rust resistant painted finish and cement table top, the Madrid Range will continue looking great for many years to come, with only very minimal maintenance.

Make the ultimate statement and express your personality and style with small, potted palms and bright pops of colour.

HowTo *Style Tip*

Create an inviting, upbeat ambiance under your Pavilion with pot plants and a sprinkle of yellow and strawberry hues.

Stratco Outback Cooldek

Wonderfully versatile, the Stratco Flat Roof patio can be designed as an attached or freestanding unit, but can also be combined with a gable, curved roof, pergola or Sunroof to create a truly individual statement. Add Cooldek roofing for improved thermal and acoustic insulation, and increase the energy efficiency of your home. Coming home to your Outback Cooldek patio will make every day feel like a holiday.

HowTo *Style Tip*

Give your outdoor area feminine pizzazz with geometric shapes and intermixed salmon accents.

Accessories shown are not included.

This stylish Outback patio creates an intimate backyard setting in a harmonious relationship between indoor and outdoor living.

The superior spanning capabilities and ceiling like appearance of Cooldek insulated roofing creates an impressive, uncluttered outdoor space for you to relax, play and entertain in style. The thermal insulation provides welcome relief from the summer sun.

The flexibility of the Stratco Outback Patio allows our Authorised Outback Dealers and in-store patio consultants to design a patio

solution specific to your home and your requirements. Let them help you open up your home to the outside and create a space that can be enjoyed throughout the year.

Enhance the experience with the versatility of our Madrid furniture range, reflecting cool, subtle tonalities. Scatter greenery and palms for that personal touch.

Stratco Outback Flat Roof

For over 25 years the Stratco Outback has led the patio market in quality, innovation and service to ensure Australians can enjoy the very best of their backyards and outdoor living all year round. The latest evolution of the Stratco Outback includes a stunning range of on-trend features that can be included in the full suite of Outback patio designs. This will ensure that the Outback remains the best patio on the market for many years to come.

Accessories shown are not included.

STYLISH OASIS

Adding a stylish outdoor living area increases the flexibility and functionality of your backyard. And you'll discover more reasons to spend quality time outside.

The Edge gutter profile and larger column options create a more substantial, contemporary looking structure. The Outback is now fully engineered for complete enclosure with Ambient outdoor blinds.

Two new, fashionable colours and a timber look column wrap option ensures your Outback patio will complement your backyard. Skylights allow natural light to filter into the patio and your home.

The natural beauty of the pre-oiled Eucalypt complimented by black granite table insert and black chair cushions gives the Sunscape Tarkine Range range a warm, inviting, yet contemporary appeal that will turn your Outback patio into a private oasis.

Complete your outdoor space by enriching it with fresh flavour - add lemon cushions, a spritz of dainty succulents and a tactile woven rug.

“Be the King and Queen of the party with an Outback Sunroof; rain, hail or shine!”

Stratco Outback Sunroof

Take control of the weather with the innovative Stratco Outback Sunroof. Open and close the electronically controlled louvres to your desired position. Let the breeze and sunlight in when the weather is fine and provide protection when the clouds set in. An inbuilt rain sensor automatically closes the blades when rain is detected protecting your Stratco outdoor furniture.

ELECTRIC RAINBOW

HowTo *Style Tip*

Radiate vibrant party vibes all year 'round by featuring multi-coloured, abstract shaped cushions to your outdoor lounge setting.

Soak up the sunshine on a warm spring day or find relief from the harsh summer sun. Enjoy a cooling autumn breeze or take shelter from the winter rains.

The Outback Sunroof opens up new opportunities in outdoor living, providing ultimate flexibility and weather control at the push of a button. Sunroof louvres rotate through 135 degrees allowing you to adjust the level of sunlight, shelter and ventilation for maximum comfort and improved thermal performance of the home. When the louvres are completely shut they form a beautiful ceiling-like interlocking profile that protects you from the weather.

The Stratco Outback Sunroof is available in a flat and gable design. It can span up to 3.9 metres for flat and 7.2 metres for gable designs thanks to its strong, well-engineered blades.

The timeless Sorrento Collection offers a rich, durable matte powder coat finish with Forest Stewardship Council (FSC) timber features; this range is bound to be a bold statement for any occasion.
